The classes shall be designated Class I, Class II and Class III. If the number of directors is changed, any increase or decrease shall be apportioned among the classes so as to maintain the number of directors in each class as nearly equal as possible, but in no case shall a decrease in the number of directors shorten the term of any incumbent director.

If, for any reason, the directors shall not have been elected at the designated annual meeting, they may be elected at a special meeting of shareholders called for that purpose in the manner provided by the Bylaws.

The provisions of this Article shall be deemed to be a contract with each director and officer of the corporation who serves as such at any time while such provisions are in effect and each director and officer entitled to the benefits hereof shall be deemed to be serving as such in reliance on the provisions of this Article. Any repeal or modification of the foregoing paragraph by the shareholders of the corporation shall not adversely affect any right or protection of a director of the corporation with respect to any acts or omissions of such director occurring prior to such repeal or modification.
